Theme-based training

Topics and experiences on WRM

Project title: Strengthening of master curricula in water resources management for the Western Balkans HEIs and stakeholders

Acronym: SWARM

Project number:

597888-EPP-1-2018-1-RS-EPPKA2-CBHE-JP

<i>Dates</i>	27 th to 29 th November 2019 (Arrival date: 26 th November 2019, Departure date: 30 th November 2019)
<i>City</i>	Lisbon
<i>Meeting venue</i>	Instituto Superior Técnico (IST), Civil Engineering, Architecture and Georesources Department (DECivil), Lisbon University (UL)
<i>Address</i>	IST. Civil Engineering Department, DECivil Avenida Rovisco Pais, 1049-001 Lisboa

University of Nis

**Strengthening of master curricula in water resources management
for the Western Balkans HEIs and stakeholders**

Wednesday, 27 th November 2019		
Local: IST, Civil Engineering, Architecture and Georesources Department, Room 4.41		
9:30-10:00	SWARM participants registration	
10:00-10:20	Welcome session. Presentation of IST	Arlindo Oliveira, President of IST
10:20-11:00	Presentation of the SWARM Project and of the PhD and MSc Civil Engineering courses in IST	Milan Gocić, Coordinator of the SWARM Project Fernando Branco, Coordinator of the PhD Civil Engineering Course Jorge Proença, Coordinator of the Master of Science Civil Engineering course
11:00-12:00	Visit to the Laboratories of Hydraulics and of Environment of IST	António Heleno Cardoso, Ana Galvão
12:00-14:00	Lunch break	
14:00-15:00	Principles of water governance	Francisco Nunes Correia
15:00-16:00	Mooc - Massive Open Online Courses: how to develop a mooc for engineering courses	Carlos Santos Silva

Thursday, 28 th November 2019		
Meeting point of the field trip: Main entrance of IST		
9:15	Meeting at the main entrance of IST and departure by bus to the field trip	
10:00-12:00	Field trip. Visit to the Lisbon sewage treatment plant, at Alcântara (Meeting point at “Fábrica da Água”/“Water Factory”, at Alcântara)	
12:00	Return to IST by bus	
12:30-14:00	Lunch break	
Local: IST, Civil Engineering, Architecture and Georesources Department, Room 4.41		
14:00-15:00	Drainage master plan of Lisbon city	José Saldanha Matos, President of the Civil Engineering Department
15:00-16:00	Agreements for the protection and sustainable use of waters of International river basins. The case of the Portuguese-Spanish Convention	António Gonçalves Henriques

Friday, 29 th November 2019		
Meeting point of the field trip: Mãe de Água (250 m from the Rato Metro station)		
10:00-13:00	Field trip. Visit to the XVIII century water distribution system to Lisbon. Meeting point at “Mãe d’Água”, at Amoreiras (accessible by Metro – yellow line to Rato)	
13:00-14:00	General conclusion of the training
