for the Western Balkans HEIs and stakeholders**

Dissemination activity description

Date	23.09.2020
Place	Faculty of Technical Sciences Amphitheatre UPKM
Author	Nebojsa Arsić, Jelena Đokić, Aleksandra Petrovic
Institution	UPKM
Title	Promotion of student enrolment
Description:	
<p>On 3rd September 2020 in the premises of the Faculty of Technical Sciences University of Priština temporary seated in Kosovska Mitrovica, promotion event for student enrolment on the undergraduate and master studies in the field of Environmental and Occupational safety, has been held, which have been modernized within Erasmus+ SWARM project. The promotion was conducted by FTS Dean, prof.dr Nebojša Arsić, vice deans prof. dr. Gordana Milentijevic and prof. dr Srdjan Jovic, professor Danijela Ilic Komatina, Marica Rdojic administrative officer as well as future students. During the promotion modernized study programmes were presented, which educate future engineers in the field of environmental and occupational safety. During the study period those study programmes offer educational content with new knowledges, modernized and new subjects, aligned with the best practices in EU, which should provide specific competencies for future undergraduate/graduate students. Also, students will have opportunity to work with the state-of-the-art equipment in laboratory established within SWARM project. Because of the situation with Corona virus promotion has been held with compliance with all foreseen safety measures and with limited number of attendees.</p> <p>During the promotion leaflets and brochures with detailed information about study programmes were distributed to participants. Also, it was emphasized that students will have opportunity to gain practical knowledge in EU partner Universities within SWARM project, in order to gain higher quality of knowledge and competencies in the field o managing water resources.</p>
