**Yes**, welcome to this workshop. And it's good to see that so many of you have managed to find time to join this workshop, it is quite important workshop, because this is going to this is going to create the foundation for this curriculum, what we are going to develop during this course. So this activity belongs to the work package tool. And

Susann Andersen 03.02.2021 09:18

Hi all,

I have added the document "Division of tasks and allocation of resources". Feel free to make revise.
